

JU BOARD OF GOVERNORS HELD 47th regular meeting

The board of governors of Jimma University held its 47th regular meeting on Saturday December 24/2016 at the university senate Hall. Major discussion issues of the meeting were: the university's strategic plan (2016-2020) the board's annual plan and the university's 2009 E.C. first quarter plan performance report.

The Board also endorsed full professorship rank for two senior faculty members of the university. Dr. Engineer Esays Alemayehu was promoted to a full professor of Environmental engineering while Dr. Andualem Mosie on the other hand was promoted to a full professor of Medical Physiology.
