Dear University Partners,

We are proud to announce the success of the nation's first Virtual Career Expo, hosted on August 27, 2020. This is a reflection of Dereja's ever-increasing dedication and enthusiasm to your university. We would like to Thank you for participating and the immense support you have provided throughout the process of presenting this expo. Through your investment of time and energy, we have been able to gather information and increase our reach to many students for the Virtual Career Expo. Even more importantly, your participation in this Virtual Career Expo helped in the ongoing effort to strengthen student's employability and networking skills.

In the days to come we will be reaching out to you individually to discuss the future of this expo and our continued partnership. Moreover, we are happy to announce that we are in the process of organizing the second round Virtual Career Expo in November aiming to reach 5000 students, and create a platform to connect with employers.

Your University has made a significant contribution to the success of the Nation's First Virtual Career Expo: indeed, we could not have done it without you. Thank you again for your participation and we look forward to working with your university and continuing our partnership.

Sincerely Yours,

Siham Ayele
